Subject: incident dated July 24, 2012.

Hi Carla and thank you for taking the time to speak with me. As I mentioned on the phone, my name is Lupe Pesina and I am with the US Environmental Protection Agency. My telephone number is 214-665-8375. I am attaching below ten (10) questions . These ten questions will help us determine if the Clean Air Act's General Duty Clause violation has occurred.

- 1). Did you perform an investigation or audit of this incident that occurred on July 24, 2012.? Can you sent me a copy of the report or document describing the results? my e-mail address is pesina.guadalupe@epa.gov
- 2). What measures you have taken to address the findings, conclusions or recommendations of the investigation or audit. Describe them to me. Are there any findings, conclusions, or recommendations that have not been addressed fully and what measures remain to be taken?
- 3). What process chemicals were released?
- 4). What were the initial best /root cause of the fire? Were there any additional contributing factors that you are aware of?
- 5). What was the extent and duration of the fire?
- 6). Was there any property or equipment damage that resulted from the fire? If yes, please explain.
- 7). Were there any injuries attributed to the fire? If yes, please explain.
- 8). What emergency response measures were taken to stop and/or to minimize hazards from the fire?
- 9). Did you evacuate or issue a shelter in place order as a result of the fire?
- 10). Contact number and address if different. The address I have is 2120 S. Prospect Ave., Oklahoma city , Oklahoma

Thank you for your time and assistance.
